- **Database**
 - PostgreSQL

EDUCATION

FRONT-END DEVELOPER CERTIFICATE

Cybersoft Academy
03/2022 - 07/2022

ELECTRIC ENGINEERING

Ton Duc Thang University
2015-2018
Not Graduated

TRAN BA THONG

FRESHER FRONT-END DEVELOPER

CAREER OBJECTIVE

I am a Front-end Developer. I'm good at problem solving, multi-tasking. Not only I can team-work, but also I can work independently. I have about 6 months experience working with ReactJS. I'm learning new technologies and improve my coding skill everyday to become a Full-stack Developer within 3 years.

WORK EXPERIENCE

IT Officer

American Learning Lab | Nov 2020 - Aug 2022

- Manage and maintain all the computers, laptops, iPads
- Administrate and operate network system
- Work with Cisco Meraki Firewalls system, Unifi
